Practitioner

Linda Steele,
Energy Healer

Linda believes that when we heal our original wounds such as grief, trauma, childhood issues, at the root source level, energy starts to flow more freely in our bodies and we change our energetic vibration. We now begin to manifest more of what we desire in life from greater abundance and joy to better relationships and jobs—this is the real law of attraction.

- Shamanic Native Healing

In addition to Linda's natural healing and intuitive gifts, Linda has trained in the 8th Fire School of Algonquin Shamanism under the direction of Pete Bernard.
